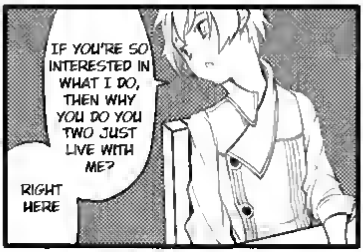
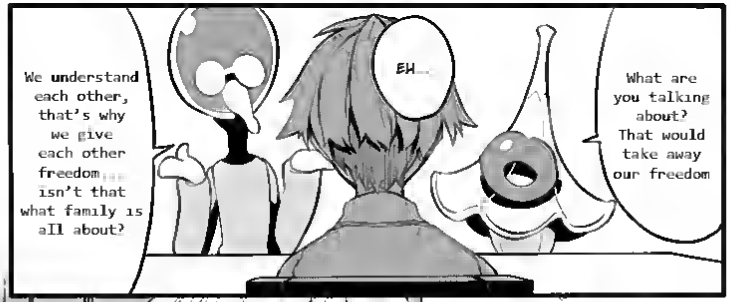
That's why we want you to be more aware of yourself, Clain
Your father and I trust in you. That's why we allow you to have your own home



IF YOU'RE SO INTERESTED IN WHAT I DO, THEN WHY YOU DO YOU TWO JUST LIVE WITH ME?
RIGHT HERE

IF YOU



We understand each other, that's why we give each other freedom... isn't that what family is all about?
EH...
What are you talking about? That would take away our freedom

CLAIN
.....
If a family lives together... then it proves that they don't trust each other

THAT'S WHY NESSA BELONGS TO CLAIN
CLAIN SUMMONED NESSA
BECAUSE YOU WANT TO DO WHATEVER YOU WANT, RIGHT?
YOU TWO ARE SAYING ALL OF THIS NOBLE TALK
Besides, because you're so precious to us, we even send Doppels like this!!

You wouldn't go against your father like this before
I GUESS
Clain
you really are acting weird after all
MAYBE IT'S BECAUSE YOUR DOPPELS ARE BROKEN?
Clain?

The thing that wouldn't leave his mind is...

Drop Notice

The anime will start airing on January 13, 24:45 JST (or January 14, 0:45 JST) in the noitaminA timeslot. Since the purpose of translating the manga adaptation was to provide a preview of this series, there is no need to keep on translating this. Please go watch the anime instead.

Funimation let their noitaminA license expire, so CrunchyRoll might pick it up instead along with Hourou Musuko. if not, then UTW and Nutbladder will sub it.

My rule for picking (back) up a manga adaptation of an anime series is that the adaptation must be significantly different from the original series; a good example would be the Eureka Seven manga. if the show is good enough and the manga deviates from the plot, i might consider picking this back up. if not, then don't rely on me for scanlations anymore. Regardless, the raws are freely and legally viewable online on the GanGan Online website.
